Introduction to UITP

Connecting the world of public transport

UITP is...

The network of all mobility actors

The catalyst for new business opportunities

The global centre of knowledge and know-how

The advocate for public transport and sustainable mobility

The promoter of innovations and forward-looking solutions

A global membership

UITP represents:

- over 3,400 urban, local, regional and national mobility actors
- from more than 92 countries on all continents

One main office in Brussels 11 regional and liaison offices worldwide

A diverse membership

UITP unites the entire supply chain of public transport players

- Operating companies
- Local, regional and national authorities
- Service and supply industry, consultants
- Research institutes and academics

A diverse membership

UITP covers **all modes** of public transport:

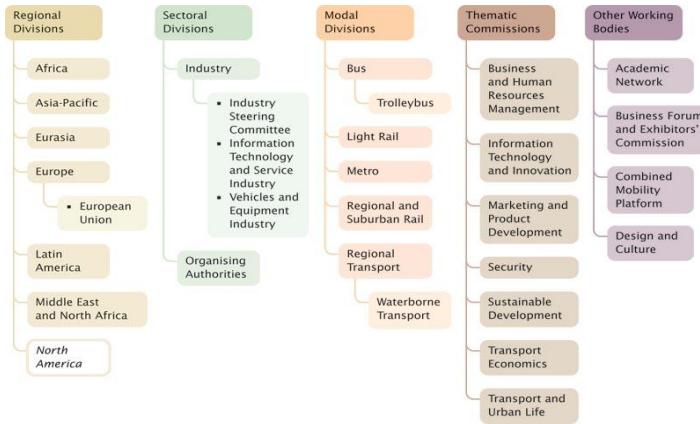

- Metro
- Bus
- Light rail
- Regional and suburban railways
- Waterborne

And **collective transport** in a broader sense:

- Taxis
- Car-sharing
